F250-550 (2017 - 2021) Expedition (2018 - 2021)

ST-1

A-Tach

Mobile Device Mounts

A-Tach solutions consist of two separated parts that are brought together to create a secure mounting solution. The first part is the vehicle mount and the second part is the device holder. The vehicle mount is not designed to be attached and taken off the vehicle repeatedly or on a regular basis. Once it is attached, it should remain attached until you would like to permanently remove it.

Attention: Read all instructions and review the images before attaching this product.

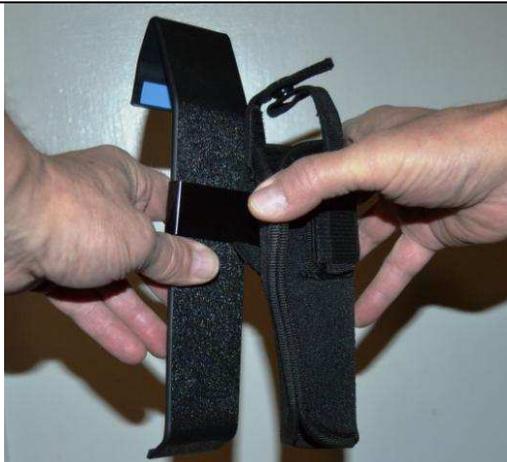

WARNING: Please hold the vehicle mount and holster over the place where the solution attaches to the dash **BEFORE** securely attaching it to the vehicle. This will insure you like the fit and location of the solution.

(1) The holster comes with a two-part securing strap for the hand gun. Place your hand gun into the holster. Then snap the two parts of the strap together and place the strap in a position that will secure the hand gun into the holster.

(2) Slide the hooked parts of the Velcro on the strap into the slots on the sides of the holster. Using the included blue card stock will help. The strap is adjustable by the distance the straps are inserted into the slots. Be sure to align the hooked parts of the Velcro with the mesh parts to create a secure connection.

(3) Attach the holster to the mount by inserting the clip arm on the mount through the clip slot on the side of the holster. Photo is for illustration and might not show the actual mount.

Returns

A-Tach's must give prior approval before any product may be returned. In order to return a product, the buyer must obtain an RMA# (Return Merchandise Authorization Number). All returns must be within (30) days of the invoice date and include proof of purchase. The product must be in undamaged and unused condition, meaning: No scratches, additional holes or screw marks on the product. The product must be in like new condition.

A-Tach reserves the right to withhold a refund if we believe the product is damaged. A copy of the original order or invoice must accompany a return. All parts shipped with the original product must also be returned.

(4) First, this SAMS will attach onto both the left and right side of the center floor console. Inspect the area the SAMS will attach to ensure it will not be an obstruction. Insert the thin edge of the seam tool to open the seam between the upper and lower panels on the center console. (See Photo)

(5) The actual mount will have a little different appearance than shown in the photo. Peel off the cover of adhesive tape on the mount. Hook the top angled edge of the SAMS over the upper panel of the console. See illustration for location.

(4) Press downward on the top right side of the SAMS and, at the same time; press inward on the bottom of the SAMS so the bottom angled edge hooks under the side console panel. Remove the seam tool.

(5) The SAMS fits onto both the right and left side of the center floor console. The adhesive tape does not leave any marks or damage the vehicle, and is easy to remove when you want to remove the mount.

A-Tach Mounts Limited Warranty

A-Tach warrants the product to be free of all defects in materials and workmanship for a period of six (6) months from the date of purchase. This warranty extends to the original buyer.

Within the period of this warranty, A-Tach has the option to repair or replace the item or refund the purchase price. Any replacement parts will be done on an exchange basis. All repairs and service must be done by A-Tach. Product must be delivered to A-Tach during the warranty time along with proof of purchase price and date. The shipping and packaging costs will be the buyer's responsibility. Labor costs and parts to repair will be A-Tach Mounts responsibility.

Damaged products caused by anything outside of shipping damage are not covered by this warranty. A-Tach will not be responsible for any property damage due to the use of the product. Any above exclusion may not apply in states that do not allow the exclusion or limitation. This warranty gives you specific legal rights. You also may have other rights which vary from state to state.

Returns

Before any product may be returned, A-Tach's must give prior approval. An RMA# (Return Merchandise Authorization Number) needs to be given to the buyer to return a product. All returns must be within (30) days of the invoice date and include proof of purchase. Any returned product must be undamaged and in like new condition. Returned product must be scratch free with no additional holes or screw marks on the product.

A-Tach reserves the right to withhold any refund if the product is believed to be damaged. A return must include a copy of the original order or invoice. All parts and components that were shipped with the original product must be included with the returned.
