

## A-Tach # 20024

**Designed for:** Ford Explorer 2011 - 2019

# A-Tach

## Mobile Device Mounts

**A-Tach** solutions consist of two separated parts that are brought together to create a secure mounting solution. The first part is the vehicle mount and the second part is the device holder. The vehicle mount is not designed to be attached and taken off the vehicle repeatedly or on a regular basis. Once it is attached, it should remain attached until you would like to permanently remove it.

**Attention:** Read all instructions and review the images before attaching this product.

**WARNING:** Please hold the vehicle mount and holster over the place where the solution attaches to the dash **BEFORE** securely attaching it to the vehicle. This will insure you like the fit and location of the solution.

(1) The holster comes with a two part securing strap for the hand gun. Place your hand gun into the holster. Then snap the two parts of the strap together and place the strap in a position that will secure the hand gun into the holster.

(2) Slide the hooked parts of the Velcro on the strap into the slots on the sides of the holster. Using the included blue card stock will help. The strap is adjustable by the distance the straps are inserted into the slots. Be sure to align the hooked parts of the Velcro with the mesh parts to create a secure connection.

(3) Attach the holster to the mount by inserting the clip arm on the mount through the clip slot on the side of the holster. Photo is for illustration and might not show the actual mount.

## Returns

Before any product may be returned, A-Tach's must give prior approval. An RMA# (Return Merchandise Authorization Number) needs to be given to the buyer to return a product. All returns must be within (30) days of the invoice date and include proof of purchase. Any returned product must be undamaged and in like new condition. Returned product must be scratch free with no additional holes or screw marks on the product. A-Tach reserves the right to withhold any refund if the product is believed to be damaged. A return must include a copy of the original order or invoice. All parts and components that were shipped with the original product must be included with the returned.

(4) Inspect the area the SAMS will attach to ensure it will not be an obstruction. Clean the area where the mount will attach. The top edge of the mount will attach into the opening by the console box cover illustrated with the arrow in the photo.

(5) the lower "J" shaped edge of the mount will go under the console side panel illustrated with the arrow in the photo.

(4) Remove the covering from the tape. Hook the top edge over the top edge of the console and into the console box opening next to the box cover. Then press down on the left side of the mount to hook the lower "J" shaped edge under the console side panel.

(5) Press inward on the lower "J" shaped edge of the SAMS to make sure the edge hooks under the console panel. The tape will not leave any residue if the mount is removed.
