

A-Tach # 20064

Designed for: Mazda CX-30 2020 - 20__

ST-1

A-Tach

Mobile Device Mounts

NOTICE: A-Tach Mounts will not be responsible for any damage to the vehicle due to the installation and/or use of the product. The product has been tested to fit securely to the listed vehicles. Instructions are provided for your convenience. You are responsible for the use of the product and to determine if you have the skill to attach the product without causing damage to your vehicle or the product.

Read all instructions and view the photos before attaching this product.

WARNING: Please hold the vehicle mount and holster over the place where the solution attaches to the dash BEFORE securely attaching it to the vehicle. This will insure you like the fit and location of the solution.

(1) The holster comes with a two part securing strap for the hand gun. Place your hand gun into the holster. Then snap the two parts of the strap together and place the strap in a position that will secure the hand gun into the holster.

(2) Slide the hooked parts of the Velcro on the strap into the slots on the sides of the holster. Using the included blue card stock will help. The strap is adjustable by the distance the straps are inserted into the slots. Be sure to align the hooked parts of the Velcro with the mesh parts to create a secure connection.

(3) Consider if you want the holster for right hand use or left hand use. Gently open the lower holster hook and insert the lower edge of the holster under the hook.

(3) Attach the side of the holster to the mount by inserting the steel clip arm on the mount through the clip slot on the side of the holster.

See additional instructions on the back side.

Contact Information: A-Tach Mounts / Clarkston, WA 99403 / cs@atachmounts.com

(4) Inspect the area the SAMS will attach to ensure it will not be an obstruction. Clean the area where the mount will attach. The top of the mount will attach into a seam on the inside edge of the top of the center console side panel illustrated above.

(5) The bottom of the mount will attach under the center console side panel illustrated with the arrow above.

(4) Remove the covering from the tape. Press the thin top edge of the mount **into the seam** between the tops of the inner and outer center console panels. There is a seam between the two panels.

(5) Press down on the mount and at the same time press inward on the lower edge of the mount to hook the lower "J" shaped edge of the SAMS onto the bottom of the center console side panel illustrated with the arrow above. The tape will not leave any residue if the mount is removed.

Returns

Before any product may be returned, A-Tach must give prior approval. An RMA# (Return Merchandise Authorization Number) needs to be given to the buyer to return a product. All returns must be within (30) days of the invoice date and include proof of purchase. Holiday purchases can be returned through January 31st. Any returned product must be undamaged and in like new condition. Returned product must be scratch free with no additional holes or screw marks on the product. Once the pre-drilled holes in the mount have been screwed into, the mount is considered used and can no longer be returned for a refund.

A-Tach reserves the right to withhold any refund if the product is believed to be damaged when returned. A return should include a copy of the original order or invoice. All parts and components that were shipped with the original product must be included with the returned product. The shipping and packaging costs will be the buyer's responsibility.

Limited Warranty

A-Tach warrants the product to be free of all defects in materials and workmanship for a period of six (6) months from the date of purchase. This warranty extends to the original buyer. Damaged products caused by anything outside of shipping damage are not covered by this warranty.

Within the period of this warranty, A-Tach has the option to repair or replace the item or refund the purchase price. Any replacement parts will be done on an exchange basis. All repairs and service must be done by A-Tach. The Product must be delivered to A-Tach during the warranty time along with proof of purchase price and date. The shipping and packaging costs will be the buyer's responsibility. Labor costs and parts to repair will be A-Tach Mounts responsibility. A-Tach Mounts will not be responsible for any damage to the vehicle or product due to the installation and/or use of the product. A-Tach is not responsible for damage to the mount caused by extreme heat conditions. Any of the above exclusion may not apply in states that do not allow the exclusion or limitation. This warranty gives the Customer specific legal rights. The Customer also may have other rights which vary from state to state.

Regarding Shipping Services and Restocking Fees

The A-Tach warranty can repair or send a replacement product if a product is defective or damaged during shipping or installation. A-Tach can also make a return for a refund when a product is sent back unused, undamaged and the mounts is not screwed into or altered from original condition. Shipping is a service that is provided by an outside source. Once a package is scanned as delivered, A-Tach Mounts is not able to refund the original shipping cost due to the service being performed or provided. A-Tach also does not supply return shipping labels. A \$5.00 restocking fee will be applied to orders sent back to A-Tach for any reason outside of an incorrectly sent item.
