Designed for: Toyota Prius 2016 - 2022

NOTE: Attaches over both left and right vent for better positioning.

STL-1

A-Tach

Mobile Device Mounts

A-Tach solutions consist of two separated parts that are brought together to create a secure mounting solution. The first part is the vehicle mount and the second part is the device holder. The vehicle mount is not designed to be attached and taken off the vehicle repeatedly or on a regular basis. Once it is attached, it should remain attached until you would like to permanently remove it.

Attention: Read all instructions and review the images before attaching this product.

WARNING: Please hold the vehicle mount and device holder over the place where the solution attaches to the dash **BEFORE** attaching the device holder to the vehicle mount to ensure a proper fit with the location of the solution. **Once screwed together the products are non-refundable.**

Remember: Instructions are provided for your convenience. You are responsible to determine if you have the skill to attach the solution to your vehicle.

(1) Clean the area where the mount will attach. Remove the covering from the tape. Position the mount so the notch on the edge is closest to the hazard button. Insert the bottom edge of the mount into the seam between the frame around the vent and the inside bottom of the vent.

(2) Press down on the top of the mount to flex the top edge into the vent and insert the top edge of the mount into a seam between the frame around the vent and the inside top of the vent.

(3) Press up on the top and down on the bottom of the mount to make sure the tape connects to the vent frame. The tape will not leave any residue when the mount is removed.

(4) The mount attached. Attaches over both left and right vent for better positioning.

Warranty and Returns

A-Tach Mounts Limited Warranty

A-Tach warrants the product to be free of all defects in materials and workmanship for a period of six (6) months from the date of purchase. This warranty extends to the original buyer.

Within the period of this warranty, A-Tach has the option to repair, replace the item or refund the purchase price. Any replacement parts will be done on an exchange basis. All repairs and service must be done by A-Tach. Product must be delivered to A-Tach during the warranty time along with proof of purchase price and date. The shipping and packaging costs will be the buyer's responsibility. Labor costs and parts to repair will be A-Tach Mounts responsibility.

Damaged products caused by anything outside of shipping damage are not covered by this warranty. A-Tach will not be responsible for any property damage due to the use of the product. Any above exclusion may not apply in states that do not allow the exclusion or limitation. This warranty gives you specific legal rights. You also may have other rights which vary from state to state.

Returns

Before any product may be returned, A-Tach's must give prior approval. An RMA# (Return Merchandise Authorization Number) needs to be given to the buyer to return a product. All returns must be within (30) days of the invoice date and include proof of purchase. Any returned product must be undamaged and in like new condition. Returned product must be scratch free with no additional holes or screw marks on the product.

A-Tach reserves the right to withhold any refund if the product is believed to be damaged. A return must include a copy of the original order or invoice. All parts and components that were shipped with the original product must be included with the returned.
