

## A-Tach # 50225

**Designed for:** Land Rover Defender 2020 – 20\_\_  
Fits over both left and right side of the display.

# A-Tach

*Mounts*

**A-Tach** solutions consist of two separated parts that are brought together to create a secure mounting solution. The first part is the vehicle mount and the second part is the device holder. The vehicle mount is not designed to be attached and taken off the vehicle repeatedly or on a regular basis. Once it is attached, it should remain attached until you would like to permanently remove it.

**Attention:** Read all instructions and review the images before attaching this product.

**NOTICE:** Please hold the vehicle mount and device holder over the place where the solution attaches to the dash **BEFORE** attaching the device holder to the vehicle mount to ensure a proper fit with the location of the solution. **Once screwed together the products are non-refundable.**

**Remember:** Instructions are provided for your convenience. You are responsible to determine if you have the skill to attach the solution to your vehicle.

**WARNING: DO NOT interact with the device while the vehicle is in motion.**

(1) Clean the area where the mount will attach. The bottom edge of the mount will attach into the seam behind the lower padded bumper in the center dash opening illustrated with the arrow in the photo.

(2) The top edge of the mount will attach into the seam just behind the underside of the padded upper bumper on the dash top illustrated with the arrow in the photo.

(3) Tilt the mount horizontal into the dash opening. Insert the thin lower edge of the mount into the seam behind the lower padded bumper of the center dash opening illustrated in photo above.

(4) Rotate the top of the mount upward. Then pull the top of the mount towards you until the top edge goes into the top seam. The tape will not leave any residue on the dash.

## Warranty and Returns

### **A-Tach Mounts Limited Warranty**

A-Tach warrants the product to be free of all defects in materials and workmanship for a period of six (6) months from the date of purchase. This warranty extends to the original buyer.

Within the period of this warranty, A-Tach has the option to repair or replace the item or refund the purchase price. Any replacement parts will be done on an exchange basis. All repairs and service must be done by A-Tach. Product must be delivered to A-Tach during the warranty time along with proof of purchase price and date. The shipping and packaging costs will be the buyer's responsibility. Labor costs and parts to repair will be A-Tach Mounts responsibility.

Damaged products caused by anything outside of shipping damage are not covered by this warranty. A-Tach will not be responsible for any property damage due to the use of the product. Any above exclusion may not apply in states that do not allow the exclusion or limitation. This warranty gives you specific legal rights. You also may have other rights which vary from state to state.

### **Returns**

Before any product may be returned, A-Tach's must give prior approval. An RMA# (Return Merchandise Authorization Number) needs to be given to the buyer to return a product. All returns must be within (30) days of the invoice date and include proof of purchase. Any returned product must be undamaged and in like new condition. Returned product must be scratch free with no additional holes or screw marks on the product.

A-Tach reserves the right to withhold any refund if the product is believed to be damaged. A return must include a copy of the original order or invoice. All parts and components that were shipped with the original product must be included with the returned.
