

A-Tach # 50226

Designed for: Ford Ranger 2019-2023

A-Tach

Mounts

A-Tach solutions consist of two separated parts that are brought together to create a secure mounting solution. The first part is the vehicle mount and the second part is the device holder. The vehicle mount is not designed to be attached and taken off the vehicle repeatedly or on a regular basis. Once it is attached, it should remain attached until you would like to permanently remove it.

Attention: Read all instructions and review the images before attaching this product.

NOTICE: Please hold the vehicle mount and device holder over the place where the solution attaches to the dash **BEFORE** attaching the device holder to the vehicle mount to ensure a proper fit with the location of the solution. **Once screwed together the products are non-refundable.**

Remember: Instructions are provided for your convenience. You are responsible to determine if you have the skill to attach the solution to your vehicle.

WARNING: DO NOT interact with the device while the vehicle is in motion.

(1) Clean the area where the mount will attach. The mount will attach into the seam between the inside of the vent and the inner vent frame illustrated with the arrows in the photo.

(2) The mount will also attach into the seam between the left side of the display and the left frame around the display.

(3) Press the vent louvers down. The louvers should be able to go back up when the mount is attached.

Remove the covering from the tape on the mount.

(4) Hook the thin "V" shaped edge (shorter side) on the left side of the mount into the left seam illustrated in photo one. This is a tight seam but the mount will go into the seam.

See additional instructions on the back side.

(5) Press forward on the Mount until the thin right edge goes into the seam illustrated in photo two.

(6) Press the sides of the mount inward to make sure the tape is secured. The tape will not leave any residue if the mount is removed in the future.

Warranty and Returns

A-Tach Mounts Limited Warranty

A-Tach warrants the product to be free of all defects in materials and workmanship for a period of six (6) months from the date of purchase. This warranty extends to the original buyer.

Within the period of this warranty, A-Tach has the option to repair or replace the item or refund the purchase price. Any replacement parts will be done on an exchange basis. All repairs and service must be done by A-Tach. Product must be delivered to A-Tach during the warranty time along with proof of purchase price and date. The shipping and packaging costs will be the buyer's responsibility. Labor costs and parts to repair will be A-Tach Mounts responsibility.

Damaged products caused by anything outside of shipping damage are not covered by this warranty. A-Tach will not be responsible for any property damage due to the use of the product. Any above exclusion may not apply in states that do not allow the exclusion or limitation. This warranty gives you specific legal rights. You also may have other rights which vary from state to state.

Returns

Before any product may be returned, A-Tach's must give prior approval. An RMA# (Return Merchandise Authorization Number) needs to be given to the buyer to return a product. All returns must be within (30) days of the invoice date and include proof of purchase. Any returned product must be undamaged and in like new condition. Returned product must be scratch free with no additional holes or screw marks on the product.

A-Tach reserves the right to withhold any refund if the product is believed to be damaged. A return must include a copy of the original order or invoice. All parts and components that were shipped with the original product must be included with the returned.
